FCA ELEMENTARY HANDBOOK HIGHLIGHTS

Last weeks question and answer was:

What does the handbook say about socks, tights and leggings?

Socks and tights are to be of one solid color with no accent markings or designs (this means no stripes around the tops of the socks). Socks or tights may be white, navy, red, tan or dark green. Tights, navy leggings or knee socks must be worn with jumpers and skirts from November - March. Only navy blue ankle length leggings may be worn with socks underneath skirts or jumpers. No lace edging.

What does the handbook say about sweat shirts and polar fleece?

Sweat shirts must have the school crest or Knights logo and can only be navy blue. Polar fleece must have the school crest or Knights logo and can be only navy blue or charcoal gray. A uniform shirt needs to be worn under fleece and sweatshirts.

Congratulations to the girls AGAIN for having the most correct answers in both K-2 and 3-5. All the girls who turned in the correct answers received and special treat. Next weeks winners will be the grade with most correct answers.

Please encourage your student to make sure they actually read the hand book to get the correct answer - incorrect answers will not be eligible for the class competition or drawing.
